- 2 Year Warranty

The USB to Lightning cable is designed to connect Apple devices like iPhones, iPads and iPods to your computer or charger. This reversible cable allows charging and data sync as well as featuring MFI certification for maximum compatibility.

MFi Certified
This product has been certified under the Apple MFi licensing programme. Made for iPod, Made for iPhone, Made for iPad, and AirPlay logos communicate to customers that an electronic accessory has been designed to connect specifically to iPod, iPhone, or iPad, and has been certified by the developer to meet Apple performance standards.

PVC and Halogen free design : These cables are made using Theromplastic Elastomers (TPE). They are completely PVC and halogen free in line with future EU directives which aim to limit the use of PVC and the toxic additives contained in typical cable designs.
