

## WALL MOUNT SHELF, 20"W

WMS-20 |

### FEATURES & BENEFITS

Wall mounting non-rackmount components is much easier with our WMS wall mount shelf. Featuring a fully welded design using 16-gauge steel, the unit's 200 lb. capacity gives it unrivaled strength in its class. With a vented bottom to help keep things cool, both 1/2" and 3/4" electrical knockouts are provided for your convenience. Can be used to economically wall mount our RK series racks, see pg. 52.

- Vented bottom to support cooling air flow
- Includes electrical knockouts for convenience
- Can be used to economically wall mount RK Series racks
- Fully welded steel construction for strength
